
**RECORD OF CONTINUING EDUCATION HOURS
FOR PHARMACIST LICENSE RENEWAL**

Do not send any documentation of CE credits with this report. You are required to maintain these records in case you are selected for audit. Board of Pharmacy Rule 1140-5-.01 requires that a licensee must complete and obtain thirty (30) contact hours of continuing pharmaceutical education within the two year renewal cycle. Fifteen (15) hours must be obtained from "live" contact sources as determined by the ACPE designation (the letter (L) or (C) must appear in the program number). Records must be retained for two (2) years from the renewal.
